### **Change in the Executive Board of BAUER AG: Lena Effinger appointed Chief Financial Officer**

**Schrobenhausen, Germany** – At its most recent meeting, the Supervisory Board of BAUER AG appointed Lena Effinger as a member of the Executive Board with effect from June 1, 2025. She will take on responsibility as Chief Financial Officer of BAUER AG.

Lena Effinger has been with the BAUER Group since 2006 and has headed the Group Finance department since 2016, where she was most recently responsible for financing and treasury.

“I would like to thank the Supervisory Board and the Executive Board for their trust and look forward to working closely with the entire management team,” said Lena Effinger.

“I am delighted to continue our long-standing collaboration with Lena Effinger on the Executive Board. She is an experienced finance professional who has been responsible for coordinating with our banks for many years and has significantly developed Bauer's treasury in recent years,” said Peter Hingott, member of the Executive Board of BAUER AG.

Following the appointment of Lena Effinger, Hartmut Beutler will step down from the Executive Board. After leaving the Executive Board at the end of 2021, Hartmut Beutler had been reappointed as interim member of the Executive Board of BAUER AG.

## About Bauer

The BAUER Group is a leading provider of services, equipment and products dealing with ground and groundwater. The Group can rely on a worldwide network on all continents. The Group's operations are divided into three forward-looking segments: Geotechnical Solutions, Equipment and Resources. Bauer profits enormously from the collaboration of its three business segments, enabling the Group to position itself as an innovative, highly specialized provider of products and services for demanding projects in specialist foundation engineering and related markets. Bauer therefore offers suitable solutions to the world's greatest challenges, such as urbanization, the growing infrastructure needs, the environment, as well as water. The BAUER Group was founded in 1790 and is based in Schrobenhausen, Bavaria. In 2024, it employed about 11,000 people and achieved total Group revenues of EUR 2.2 billion worldwide.
